

General Practitioner

Medical Locations

Various

A fantastic opportunity awaits to work with one of Australia's largest, privately owned health service providers, where flexible working arrangements can be negotiated to suit your needs & lifestyle in addition to a very attractive remuneration percentage.

We are seeking general practitioners to work in one of our many clinics across Australia, providing comprehensive and continuing primary medical care to individuals and their families.

Tristar Medical Group offers a number of employment opportunities, whether you are seeking full time, part time or after hours work we will be delighted to speak with you.

Published:	December 14, 2018
Position Title:	General Practitioner
Location:	Various
Engagement:	Full Time / Part Time / Flexible
Classification:	Medical Vacancy

Description

Tristar Medical Group are currently seeking General Practitioners to work in one of our many clinics across Australia. You will work alongside a nursing team to fully support you, so your time is spent on consulting. Flexible working arrangements can be negotiated to suit your needs. You would be joining a company that is devoted to providing the highest quality care. As part of a large corporation you will be supported by our administrative and IT team at Head office, which enables you to focus entirely on your patients.

Locations:

Australia Wide – Please contact us for a list of available locations

Area Classifications: DWS & Non DWS positions available.

Requirements:

- Postgraduate training and experience in general practice.
- Eligibility for registration with the Australian Health Practitioner Regulation Agency (VR registration highly regarded)
- Ideally, you should hold Fellowship of the relevant Australian Specialist College or an equivalent qualification.
- Minor treatment room procedure skills.

The Benefits

- Highly competitive remuneration
- Flexible working arrangements with negotiable hours
- Ability to broaden rural skill set
- Fully supported by a corporate team
- Healthy work life balance
